## Sincro Sitewatch Ltd – OCCUPATIONAL HEALTH & SAFETY POLICY 2018

At Sincro Sitewatch Limited, we are committed to conducting our business in a manner that prevents injury or illness to employees, contractors, our customers and other stakeholders. We will encourage best practice in health and safety management within our community.

We believe that:

- No business objective will take priority over health and safety
- All injuries are preventable
- No task is so important or urgent that it cannot be done safely; and
- Without diminishing managements obligations, the responsibility and accountability for health and safety rest with every individual.

To deliver on our commitment, we will:

- Ensure that health and safety management practices are incorporated in all aspects of our business operations
- Ensure the safe working procedures are established and monitor their use
- Proactively develop a risk management approach to the identification and control of hazards, to eliminate, or if elimination is not possible, manage the risk to a level as low as reasonably practical.
- Consult with and promote active participation of employees and contractors in the management of their own and others health and safety
- Provide resources to achieve a systematic approach to health and safety management to ensure continual performance improvement
- Comply with or exceed all relevant legal and other requirements  Provide adequate support and job specific training to all employees
- Set measurable targets and objectives to continually improve our health and safety performance; and
- Periodically review the SSW significant risks such as Working at Heights, Electrical Works, Vehicle Driving, and Site Maintenance works and maintain their Health & Safety Policies and Procedures.
